### Merry Christmas Joanne!

Thank you for sending me your email all the way from Taipei! The Internet sure is wonderful because now I can get emails from Taipei and around the world in the blink of an eye. Even Rudolph gets emails... from pets! Why, here's Rudolph right now! **HO!! Ho!! ho!!** He just asked me to say 'Hi!' to you!

Sugar plums and sleigh bells, Joanne, I can't believe you're 11 years old already! You're getting to be quite a big girl! I'm really glad you still wrote me though because I'm sure some of your friends have said things about me. Of course, I'll bet they never got a magic letter like this from me! **(\*wink\*)** I also hear you've been a sorta good girl. (Of course, you won't mind if I do a little checking, will you? **HO!! Ho!! ho!!**).

Let's see what you put in your letter for Christmas wishes: 1. infinte; 2. teen top and; 3. gdagon. **HO!! Ho!! ho!!** Those ARE good presents Joanne! The elves have been working very hard, but it's been such a busy year that I hope you won't be too upset with me if you don't get everything you wished for.

**HO!! Ho!! ho!!** The elves are diving into the present wrapping machine again! Such silly elves! They're okay, but I guess I better go help unwrap them.

Take care Joanne and don't forget to come back and visit me here at EmailSanta.com on Christmas Eve!! And remember... only 6 more sleeps until Christmas!!

**HO!! Ho!! ho!!**

Dear Santa Claus,

My name is joanne. I am a girl and I am already 11 years old!! I live in the great city of Taipei. Of course, that's in Taiwan but I'll bet you knew that! This year I've been so good that, well, ok, maybe my halo has been to the repair shop a few times this year.

Santa Claus, some things I might like for Christmas this year are:

- Infinte;
- Teen top; and,
- GDagon.

Santa Claus, I almost forgot to say... You are so Old

Love, joanne
