Christy's Birthday Party

Christy had a birthday party. She asked for one big strawberry cake from her parents because she loved strawberries.

Christy invited many of her friends. Her friends liked party plates and party hats. She put those on two large tables.

What about the topic of the party? Christy thought and thought, and then she picked a party topic: Goldilocks and the Three Bears. Everyone should bring a bear to the party.

Then, Christy chose four kinds of drinks: milk, lemonade, orange juice, and apple juice. She liked apple juice very much.

A good party should have good food, so Christy used five big bowls. There were popcorns, cookies, candies, grapes, and bananas.

On the day of the party, Christy's friends all came with a bear. They played six funny games. Pin the Tail on the Bear was Christy's favorite game.

Christy's mom gave the kids balloons of seven different colors. Christy and her friends had a lot of fun blowing up those balloons.

It was Christy's eight-year-old birthday. So, eight candles were on the big strawberry birthday cake. Every kid had a piece of cake. Yummy! They all loved the sweet strawberry cake.

Nine kids came to the party. But guess what? Christy got ten birthday gifts because one was from her parents. They had a great time at the party. It was a perfect birthday party. Christy was very, very happy.

The Princess Wearing Pants

Princess Pineapple was beautiful, and she had many colorful dresses. But, she was very different from other princesses. “I wear pants because I have lots of things to do!” said Princess Pineapple.

Each morning, Princess Pineapple got up to exercise. She put on her yoga pants and a T-shirt because a workout was no place for a skirt.

After the exercise, the princess went to the garden. She grew tomatoes and corn. “To feed those in need is my duty.” said Princess Pineapple in pants. She had no time to dress up.

Then one night, there was a dance party. People were in their fine clothes. Lady Busy said, “Pants have no place on a lady!”

Princess Pineapple looked at her dresses and thought, “I want to wear whatever I want! I love to dress up, just as pretty as others but I still have to be ME!”

At the party, the royal kitten fell into the pond in the garden! She was soaked from ear to toe. People cried out, “Help! She cannot swim!”

Princess Pineapple was ready. Under her dress was her pink swimming suit! She jumped into the water and swam to the cat. The cat was saved.

Everyone was happy and shouted, “Princess Pineapple is amazing!” Lady Busy said, “From now on, princesses could wear whatever they like. We have all learned a lesson from Princess Pineapple today.”

I Stayed Up Late Last Night

I am the youngest kid in my family. I have to go to bed before everyone else. My sister and my brother go to sleep at 10, but I have to go to bed at 8 o'clock.

Last night when I got into bed, I looked out the window. There was a big apartment building across the street. Almost every light was on.

I walked into the living room. "I am always the first person to go to bed. Tonight, I want to be the last one."

My parents looked at me and said, "Okay." Wonderful! I could stay up very late.

Two hours later, there was only one light left. Why didn't it go out? It was so late!

I wanted to win the game between the person who wasn't asleep and me. But, I was very tired, and I needed to lie down on my bed for . . . one . . . second . . .

When I opened my eyes, it was morning. I wasn't the last one up! I looked at the window that had the last light. There was a boy. I knew him! He goes to my school.

I asked him in school. He said, "I always sleep with my light on, but I was asleep by 8 o'clock."

Yippeee! I felt great. I was the last person up last night. But, now I am really tired. I can't wait to go to bed tonight!
