### Merry Christmas Peter!

Thank you for sending me your email all the way from Taipei! The Internet sure is wonderful because now I can get emails from Taipei and around the world in the blink of an eye. Even Rudolph gets emails... from pets! Why, here's Rudolph right now! **HO!! Ho!! ho!!** He just asked me to say 'Hi!' to you!

Sugar plums and sleigh bells, Peter, I can't believe you're 12 years old already! You're getting to be quite a big boy! I'm really glad you still wrote me though because I'm sure some of your friends have said things about me. Of course, I'll bet they never got a magic letter like this from me! **(\*wink\*)** I also hear you've been a REALLY REALLY good boy. (Of course, you won't mind if I do a little checking, will you? **HO!! Ho!! ho!!**).

I must tell you that Mrs. Claus is very impressed with your manners. How nice of you to say Thank you in your letter! You are most welcome.

Let's see what you put in your letter for Christmas wishes: 1. psp; 2. ps2 and; 3. ps3. Can I tell you a secret? I love playing games on my PlayStation -- reindeer games that is! **HO!! Ho!! ho!!** They are a lot of fun aren't they! I guess that's why  so many good little boys and girls asked for the same thing as you! I just wish there was room in my sleigh to give everyone one.

**HO!! Ho!! ho!!** The elves are diving into the present wrapping machine again! Such silly elves! They're okay, but I guess I better go help unwrap them. Take care Peter and don't forget to come back and visit me here at EmailSanta.com on Christmas Eve!! And remember... only 6 more sleeps until Christmas!!

**HO!! Ho!! ho!!**

My name is peter. I am a boy and I am already 12 years old!! I live in the great city of TAIPEI. Of course, that's in Taiwan but I'll bet you knew that! This year I've been so good that I should be the angel on top of the tree!

Santa Claus, some things I might like for Christmas this year are:

- PSP;

- PS3.

Santa Claus, I almost forgot to say... I very thank you

Love, peter
