What a nice surprise David!

Thank you for sending me your email all the way from Taipei! Did you know that Taipei is one of Mrs. Claus' favourite places? The other thing she really likes is to read all your wonderful emails. As a matter of fact, she was just asking if I had heard from you lately!

Great flying fruitcakes, David, I can't believe you're 11 years old already! You're getting to be quite a big boy! I'm really glad you still wrote me though because I'm sure some of your friends have said things about me. Of course, I'll bet they never got a magic letter like this from me! (*wink*) I also hear you've been a really good boy. (Of course, you won't mind if I do a little checking, will you? **HO!! Ho!! ho!!**).

I must tell you that Mrs. Claus is very impressed with your manners. How nice of you to say Thank you in your letter! You are most welcome.

Let's see what you put in your letter for Christmas wishes: 1. big pile of poo-poo; 2. et and; 3. a toy ufo. What wonderful presents! I really wish the elves could make enough presents for everyone because I know they are always a little sad if they can't. I hope you won't be sad David if I can't bring you everything you want because everyone here really wants you to have a very Merry Christmas!

Hurray! One of the elves emailed that he just saw a little boy who lives in Taipei do something extra nice! The elf said the little boy was being almost as good as you! Take care David and don't forget to come back and visit me here at EmailSanta.com on Christmas Eve!! And remember... only 6 more sleeps until Christmas!!

With All My Heart,

Santa Claus

Dear Santa Claus,

My name is David. I am a boy and I am already 11 years old!! I live in the great city of Taipei. Of course, that's in Taiwan but I'll bet you knew that! This year I've been so good that my halo is just a teensy weensy bit crooked!

Santa Claus, some things I might like for Christmas this year are:

- big pile of poo-poo;
- ET; and,
- a toy UFO.

Santa Claus, I almost forgot to say... Thank you for your love. Kisses to Santa

Love, David
